Talent and Gift Assessment

Each of us is like a gift package from God! Our combination of gifts is unique to us. Not one of us has ever been replicated on this earth. Our giftedness includes our talents, abilities, styles, interests, experiences, preferences and passions for serving in the world. These gifts were given to us so that we might minister together as partners in God's work in the world. Our gifts are meant for us to enjoy, too. When we live out our gifts, we discover the joy of an abundant life.

This assessment has three purposes:

1. To help QAS recognize and celebrate your gifts.
2. To determine if there are areas of interest for ministries we do not yet have in place.
3. To gather information so that we can make you aware of ministry opportunities in our church and community.

“As each one has received a gift, use it to serve one another as good stewards of God’s varied grace.”Peter 4:10
